Hwy 3B Traffic Control Announcement

J.L. Crowe Secondary School students will report for their first day of instruction on Thursday, September 10th, 2009, from 8:38 am to 2:38 pm. The two-day delay for students provides staff time to unpack and prepare the new building for instruction.

School District No. 20 (Kootenay-Columbia) would like the public, students and staff to be aware that due to construction at the JL Crowe site the temporary entrance for all vehicles and the pick up and drop off locations for staff and students will be via the McKelvey Creek Landfill/Fieldhouse entrance. Vehicles will not be able to enter via the entrance on the hospital side. The district will be providing a Traffic Control Person at the McKelvey Creek Landfill/Fieldhouse entrance to ensure safety exiting the site. **No left turns will be allowed into or out of the McKelvey Creek Access and there will be minor delays for westbound traffic on Highway #3B** by the McKelvey Creek Landfill entrance between 8:00 am and 9:00 am, and between 2:20 pm and 3:20 pm, on school days. There will be deviations from this schedule on days there is early dismissal. This temporary entrance will be in effect until the entrance on the hospital side is complete. We would like to thank you in advance for your patience and remind everyone to drive safely and watch for students on the roadways. **For questions or concerns regarding the use of the McKelvey Creek Landfill entrance or traffic control there, please contact the School District at 250-364-2224.**
